Her Majesty's Government willing to join in	4, 63
Involve curtailment of rights	69

	Page.
Regulations (*continued*)—	
Limited to eastern half of Behring Sea	65
Must apply to breeding islands as well as pelagic sealing	70
Mr. Wharton's proposal for	65
Must be just to all concerned	9
Position of United States' Government as to	9, 63
Should be binding on all nations	9, 67
Waters to be affected by	64
Revised Statutes of United States. Powers of	6
Rights claimed by United States have no analogy to other fishing rights	28
Rights of United States not violated by taking seals in high sea	33
Russia—	
Alleged claims of	15
Did not claim rights asserted by United States	5
Did not exercise jurisdiction over Behring Sea	12
Seal fishery legislation	47
St. Helena Act, 1815	61
Scotch herring fisheries legislation	51
Sealing schooners. Alleged interest of United States' citizens in	73
Seals—	
Animals *feræ naturæ*	27
Laws for protection of, cited by United States	40
Partly controllable on land, but quite uncontrollable at sea	30
Said to be a product of the soil	7
Seizures of British vessels—	
In 1886	1, 2, 71
Not analogous with vessels seized under Hovering Acts	61
Sitka. Trial of British crews at	1
Skins. Those from Pribyloff Islands often classed as from Commander Islands and *vice versâ*	30
Swimming animals. Claim to property in, not analogous with that in pearl or oyster beds	59
Territorial Waters Jurisdiction Acts, 1878	38
"Thornton." Case of the	1, 25
Treaty—	
Of 1824. Discussed	18
" Included Behring Sea	19
Of 1825. Analysis of	20
" Discussed	19
" Proves Behring Sea is a part of the Pacific	21
Treaties of 1841, 1843, and 1859 prove that North-west coast included shores of Behring Sea	21
Treaties show Russia never claimed rights asserted by United States	5
Treaty of 1867—	
United States' Arguments based on	24
Did not acquire rights over non-territorial waters	12
Translation of, incorrect	22
Tribunal, decision of, must follow laws of both parties	36
Ukase of 1799. Character of	16
Ukase of 1821—	
Character of	17
Notification of, to Great Britain	17
Protests against, by Great Britain and the United States	17
Withdrawal of Russian claims	18
United States—	
Argument derived from laws of other nations	39
Claims, general view of	3
Claims, varying contentions in	4
Contentions as to fishery laws of other nations	49
Contentions, varying nature of	10
Position as to Regulations	9
Statutes dealing with Alaska	21, 22
Uruguay seal fisheries legislation	48
Water boundary-line. Meaning of	25
West, Sir L. S., protest by, against seizures	1
Wharton, Mr., on Regulations	65
White Sea seal fishery legislation	46
Winter home of fur-seals	29
Zone. Proposals for, by Mr. Blaine	67
